Journal of Nonlinear and Convex Analysis will publish carefully selected mathematical papers in nonlinear analysis and convexity theory. Papers submitted treating various aspects of nonlinear analysis, fixed point theory, game theory, optimization, analysis of set-valued mappings, partial differential equations, convexity and applications to economics, mathematics of finance and engineering are particularly encouraged. The journal will also publish suitable survey articles of high quality. One volume of 4 issues (2012, 2013), One volume of 6 issues (2014).
One volume of 12 issues will be published in 2015

Publication Policy

We (Yokohama Publishers) assume no responsibility whatsoever for any direct or indirect damage, loss, prejudice or emotional distress caused by use of your article.

If (When) the manuscript is accepted for publication, the author(s) agree to automatically transfer the copyright to Yokohama Publishers.
The author(s) can withdraw the manuscript by mutual agreement within three months of acceptance.

The author(s) has to remove electronic preprints (reprints) from publicly accessible servers and any other of similar system except accessible servers of Yokohama Publishers.

If(When) the author(s) does't remove electronic preprint (reprint) from publicly accessible servers (any other of similar system), the author(s) has to choose "S-2" (Open Access) of Pagecharge form.

The copyright shall have the following rights: the exclusive right to reproduce, distribute the article by means of printing, reprinting, etc (any other method deemed appropriate) by the Publisher including electronic means, photographic reproductions, etc (any other reproductions of similar nature), translations.

If you did not use JNCA style file or we add professional editing to your files, you should pay the following page charge.
