Aims and Scope:

Linear and Nonlinear Analysis is a newly released international journal publishing original research articles related to broad areas of Functional Analysis including nonlinear analysis, set-valued analysis, fixed point theory, operator theory, Banach space theory, measure and integration, and others.

The papers submitted to the journal are fully peer-reviewed and the accepted papers are published both by a printed journal and via online.

Instructions for Authors:

When submitting your manuscript to LNA, please send the following information
as well as your manuscript to the coordinator (Yokohama Publishers).

(1) The full title of the manuscript:
#Please enter the full title of your manuscript.
(2) Author's name(s):
#Please enter the names of anyone who contributed to your manuscript.
(3) Corresponding author's name:
#Please enter corresponding author's name.
(4) Affiliation of the corresponding author:
#Please enter the affiliation of the corresponding author:
(5) E-mail address of the corresponding author:
#Please enter the e-mail address of the corresponding author:
(6) Postal address of the corresponding author:
#Please enter the postal address of the corresponding author:
(7) Three handling Editors' names:
#Please request three Editors of LNA to be assigned to your paper.
#The request will be taken under advisement by the coordinator (Yokohama Publishers).

Submission of a manuscript to the journal is a representation that the paper has not been published or submitted for publication elsewhere. Manuscripts must be in English and be accompanied with an abstract not exceeding 200 words, lists of key words and AMS subject classifications, an abbreviated title consisting of no more than 50 characters, and complete addresses of all authors. The subject classifications can be searched at <http://www.ams.org/msc/>.

The list of references should be in alphabetical order. Titles of journals should be abbreviated in accordance with Mathematical Reviews. Abbreviations are available at <http://www.ams.org/msnhtml/serials.pdf>.

Authors will be requested to provide a LaTeX file of the paper if it is accepted for publication. Figures and Tables must have self-explanatory captions and be numbered consecutively. Authors of accepted papers will be requested to send the publisher either electronic figure files or hard copy artwork of professional quality.
