◇ Aims and Scope

Pure and Applied Functional Analysis collects top-quality contributions devoted to all domains concerned with functional analysis and its applications. The journal covers new developments in both functional analysis and applications of functional analysis, including those to partial differential equations, the calculus of variations, optimization, approximation theory, game theory, mathematical economics, as well as to other areas of mathematics.

◇ Instructions for Authors

Manuscripts must be submitted electronically to one of the Editors-in-Chief at the following address: <pafa@tx.technion.ac.il>.

Please suggest a member of the Editorial Board who is familiar with the topics of the paper.

Submission of a manuscript to the journal is a representation that the paper has not been published or submitted for publication elsewhere. Manuscripts must be in English and be accompanied with an abstract not exceeding 200 words, lists of key words and AMS subject classifications, an abbreviated title consisting of no more than 50 characters, and complete addresses of all authors. The subject classifications can be searched at <http://www.ams.org/msc/>.

The list of references should be in alphabetical order. Titles of journals should be abbreviated in accordance with Mathematical Reviews. Abbreviations are available at <http://www.ams.org/msnhtml/serials.pdf>.

Authors will be requested to provide a LaTeX file of the paper if it is accepted for publication. Figures and Tables must have self-explanatory captions and be numbered consecutively. Authors of accepted papers will be requested to send the publisher either electronic figure files or hard copy artwork of professional quality.

◇ Editorial and Publication Policy

Each paper submitted to PAFA undergoes a rigorous refereeing process which involves one or more reports by well-known experts and is supervised by members of the editorial board. Guest editors and the editors-in-chief.

We (Yokohama Publishers) assume no responsibility whatsoever for any direct or indirect damage, loss, prejudice or emotional distress caused by use of your article.

If (When) the manuscript is accepted for publication, the author(s) agree to automatically transfer the copyright to Yokohama Publishers.

The copyright shall have the following rights: the exclusive right to reproduce, distribute the article by means of printing, reprinting etc (any other method deemed appropriate) by the publisher including electronic means, photograhic reproductions, etc (any other reproductions of similar nature), translations.

The author(s) can withdraw the manuscript by mutual agreement within three manths of acceptance.

If you did not use PAFA style file and we add professional editing to your tex files, you should pay the following page charge.
